

Coming on Semoran (from the south)(*from the north), turn onto Howell Branch road, (left)(*right) and go through the intersection of Howell Branch and Lake Howell Road (second light). After passing through that intersection look for the Good Will on your left. The second drive past that is a building complex called **CONNEMARA** (white buildings with red Spanish tile roofs). Turn into that drive (left), go to the back, the last building marked 1964. Go through the arched doorway with green door, turn left and first door on your left. Suite 106, Pinnacle Counseling Institute.

Coming on Howell Branch Rd (from the west/Winter Park) pass Temple Trail/Temple Rd and about ¼ mile up on the right, before you reach Lake Howell Rd, turn into the building complex called **CONNEMARA** (white buildings with red Spanish tile roofs). Go to the back, the last building marked 1964. Go through the arched doorway with green door, turn left and first door on your left. Suite 106, Pinnacle Counseling Institute.

Coming on Howell Branch Rd (from the east/Oviedo), go through the intersection of Howell Branch and 436, past the next intersection of Lake Howell Road (second light). After passing through that intersection look for the Good Will on your left. The second drive past that is a building complex called **CONNEMARA** (white buildings with red Spanish tile roofs). Turn into that drive (left), go to the back, the last building marked 1964. Go through the arched doorway with green door, turn left and first door on your left. Suite 106, Pinnacle Counseling Institute.
